

LEAD TIMES

The following lead times are an estimate on when we are likely to receive/dispatch your product(s). Items could arrive sooner, for example: they may already be in stock, or the manufacturer is in a period with shorter turn-around times. **We always aim to dispatch your order ASAP (you can add a note if you prefer a later delivery date).**

Depending on your location, we will either deliver using our own in-house team or a nationwide courier. **Delivery for ALL beds, mattresses and headboards are a 2-man service to the room of choice.**

Most couriers allow you to choose your preferred delivery day.
